

We are changing the way we do bookings at HASCI ...

From the start of Term 4 we will be using an exciting new online system to manage the way we look after your bookings. It's called AimyPlus. This online software has many benefits including your very own Parent Portal where you can:

- Register a profile
- Update your personal information
- Enrol your child(ren)
- Make bookings
- View bookings
- View invoices
- Privately view photos we upload of your child enjoying our programme.

The set-up process is simple and should not take you long and the good news you will never have to fill out another registration/enrolment form with us again!

You will have the option to upload photos of yourself, emergency contacts and your child/children. While the photos are optional, this adds an additional level of security as we can identify who is picking up your child(ren) and ensure they are authorized.

Here's what you need to do ...

1. 'Click through' to the following website: <https://hataitai-after-school-care.aimyplus.com>
2. Click the purple "Register here" button.

New parent? Register here

3. Follow the registration process and enroll your child(ren)
4. After this has been done, click the dashboard in the Menu Bar at the top of the screen, now you can make a booking
5. Click on the "Make a booking" button and complete the booking into the desired programme
6. Once completed, your booking is now pending and will be confirmed within 24 hours.
