## Permission to Leave Unaccompanied | 2021 Form

### OVERVIEW (For Further Detail Refer to the HASCI Policy and Procedures Manual)

Children under 8 years of age will not be permitted to walk home from HASCI unaccompanied.

Parents/caregivers of children over 8 years of age that wish to leave unaccompanied must complete the details below, stating which days and times at which their child/ren should be permitted to leave the programme each day. A form is required to be completed whether the arrangement is regular or one-off.

We encourage parents/caregivers to consider their child’s maturity and independence, as well as their distance from school and the safety of the route before making a decision about whether or not it is safe for their child to walk home on their own.

This permission form must be completed, signed and returned to the HASCI Programme Manager **in advance** of a child walking home unaccompanied.

Children who have been given permission to walk home will require a HASCI staff member to sign them out before they depart.
